Hoofland's German Bitters.

**A** BITTERS Without Alcohol or Sedatives of any kind. Is composed from the purest and real principle of Roots, Herbs and Barks (as medically termed, extracta), the worthless and inert portions of the ingredients not being used. Therefore, in one bottle of this Bitters there is contained as much medicinal virtue as will be found in several gallons of ordinary mixtures. The Roots, etc., used in this Bitters are grown in Germany, their vital principles extracted in that country by a scientific Chemist and forwarded to the manufacturer in this city, where they are compounded and bottled. Containing no spirituous ingredients, this Bitters is free from the objections urged against all others; no desire for stimulants can be induced from their use, can make no drunkards, and cannot, under any circumstance, have any but a beneficial effect.

**H**oofland's Tonic. Was compounded for those not inclined to take strong bitters, and is intended for use in cases when some alcoholic stimulant is required in connection with the tonic properties of the Bitters. Each bottle of the Tonic contains one bottle of the Bitters, combined with pure San Cruz Rum, and bottled in such a manner that the extreme bitterness of the Bitters is overcome, forming a preparation highly agreeable and pleasant to the taste. It is a good medicine for all kinds of Bitters, and a price of the Tonic is \$1.50 per bottle, which many persons think too high. They must take into consideration that the stimulant used is guaranteed to be of a pure quality. A poor article could be furnished at a cheaper price, but it is not better to pay a little more and have a good article? A medicinal preparation should contain none but the best ingredients and they who expect to obtain a cheap compound will most certainly be disappointed.

**T**hey are the Greatest Known Remedy. For Liver Complaint, Dyspepsia, Nervous Debility, Jaundice, Disease of the Kidneys, Eructations of the Skin, and all diseases arising from the Liver, Gall-bladder, Stomach, Liver, Stomach, or Intestines. Blood.

The use of the Bitters or Tonic will soon cause the above symptoms to disappear, and the patient will feel well again.
